

Bastrop County Museum Guidelines for Student Field Trips

We're happy to assist you with your field trip to the Museum & Visitor Center of the Bastrop County Historical Society!

Please contact the staff at the Museum to schedule your visit by calling 512.303.0057. We strongly suggest teachers visit the museum prior to the field trip to meet staff and tour the Museum. Please note the following guidelines prior to your visit:

1. The Museum requires field trips have at least **one** adult accompany groups of 10 (or less). For students under the age of 9, one adult is required for 5 children. No more than **30 students** are allowed in museum at one time.
2. Students must stay with their teacher.
3. Your tour guide will start/operate televisions and adjust the volume as needed. Please do not touch the monitors.
4. No gum, candy or drinks may be brought into the Museum.
5. No running or horseplay is allowed in the Museum.
6. Please do not handle/touch or pick up objects in the Museum or gift shop.
7. Please do not sit/lean on exhibits.
8. No pens or pencils are allowed in the Museum.

We look forward to your field trip and want it to be an educational as well as an enjoyable experience.
